EGGER Decorative Collection 26+

List of colour systems NCS, RAL and Pantone for white tones and uni colours

- Sorted according to NCS
- Sorted according to RAL
- Sorted according to Pantone

White tones and uni colours sorted according to **NCS**

The specified colour value systems are only the closest nuances. A comparison with a real sample is necessary prior to using these values. **Under these circumstances, EGGER does not offer a guarantee for deviating results.** The stars indicate the quality of the colour match.

*	approximately the same colour
** and ***	good colour uniformity
**** and *****	very good colour uniformity
