EGGER PerfectSense® Lacquered Boards

Surfaces that speak to your senses

Decorative Collection 26+

Surfaces that **speak to your senses**

The PerfectSense product portfolio offers matt, matt textured, partial gloss and high gloss surfaces with a multi-layer lacquer finish. Designed for premium furniture applications, these surfaces meet high visual standards and support interior design concepts with a clear, authentic character.

EGGER PerfectSense® Lacquered Boards

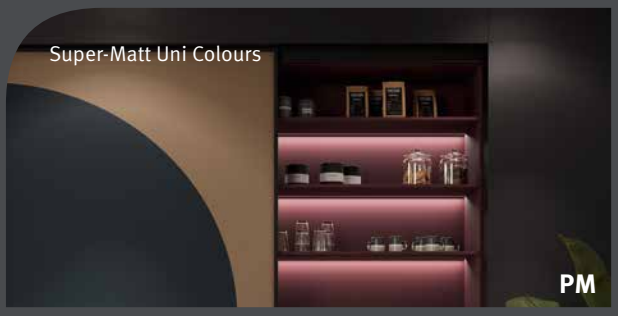

PerfectSense impresses with visual perfection and a premium tactile experience.

Depending on the application and budget requirements, you can choose from a variety of surfaces.

With our coordinated products, you'll discover the ideal solution for every need, whether it's for horizontal or vertical applications, curved furniture elements, doors, or worktops.
