EGGER

EGGER Peel Clean Xtra
Guards against dirt and damage

Part of the EGGER ADVANCED Structural Flooring System

Product Description

P5 grade T&G4 chipboard covered with an easy-to-peel, anti-slip woven surface film which helps to guard against spills and damages, and prevent moisture ingress during the build process. When trades have finished remove the film for a clean, well-presented floor.

- All sides machine profiled with precise tongue and groove profile
- Can be installed in light rain conditions resulting in fewer site stoppages
- Can be left exposed to the elements for up to 60 days once correctly laid (BDA Agrement BAF-19-129-S-A-UK)
- Low Slip potential in wet conditions according to HSE guidelines
- Tighter edges on the film to prevent edges curling and lifting
- When using EGGER Joint & Joist Adhesive no joint sealing tape is required
- Suitable for NHBC projects
- 100% recyclable
- UKCA & CE certified with timber from sustainably managed forests.

Product Information	
Size	2400 x 600 mm
